Ten Cents

The DIMMER VIEW

by Max Goodwin

There are those who still believe that Indians got the worst of it when palefaces took over the fields, streams and forests and gave them, instead, brilliantly lighted motels, saloons, and freeways, and sanitary fills.

What does it take to make an Indian happy, anyhow? Never mind the guy who shouted "a massacre!"

It was only after Gen. George Armstrong Custer taught the redfaces a lesson they should never forget that they became almost model citizens. Outside of being referred to as "foreigners" by an occasional teen-age voter, Indians for the most part, have pretty much dropped scalping as a way of political activism and are content now to sit around and watch the maize grow.

Thus, Indians could hardly be classed with pot, abortion or other gut political issues in an election year in which the high spot has been only the revelation by a vice-presidential nominee that he had been psychiatrically checked for suspicion that there was a hole in his bag of marbles.

Why, then, would a wily ol' newsman such as Senator Alan Cranston seek to Indianize the California segment of the campaign? And thus get his toe in the wringer.

And why would Cranston, once a foreign correspondent, choose the merest tribe of them all to make an issue of — the Bridgeport Indians of California — an obscure tribe of 60 souls in Mono County.

Though the tribe had lived there since long before the coming of the white man, the Bridgeports had lost title to their land because, unbeknown to them, the Senate refused to ratify a treaty they had negotiated with President Fillmore in 1851.

Then, through a long series of subsequent legal moves, of which the Bridgeports were also unaware, the land passed into private, non-Indian hands.

Now the owners have ordered the Bridgeports off their land, and they have nowhere to go.

Here was a chance for Cranston to cement the Indian vote for the party! In February he introduced a bill (S. 3113) which he considered to be a fair, non-controversial, vote-getting solution.

Cranston was aware that the U.S. Bureau of Land Management handles 15 million acres of federally owned land in California. The total includes 298,000 acres in public domain in Mono County.

Why not, the Cranston bill proposes, simply transfer to the Bridgeports 20 acres of unoccupied federal land close by their tribal grounds. There would be no cost to the federal government in transfer, an ancient wrong would be righted and there would be a minimum of inconvenience to the tribe. What could be simpler?

But federal red tape is often used to stop progress—even that promulgated by lawmakers: A couple of days before the hearing the Senate Interior Committee on Indians Affairs used a typical governmental exercise to bring Cranston's plan to a halt.

The Interior Department announced that the government can make land transfers, such as Cranston proposed, only to "recognized" Indian tribes. And since the government didn't recognize the Bridgeports, the proposed land transfer could not be authorized.

Why, then, doesn't the federal government "recognize" the Bridgeports?

Because the government recognizes only tribes that own federal lands.

And since the Bridgeports do not own any federal land...

As the Indian watches his maize grow a stone's throw from the brightly-lit motels, saloons, freeways and condominiums, he must wonder if paleface sociological programs were somehow not explained to him properly.

School District Budget Hearing On Tap Monday

A public hearing will be held before the Lemon Grove School District board of trustees Monday night at 8 p.m. in the district education center, 8025 Lincoln st., Lemon Grove, affording an opportunity for local taxpayers to discuss, support, object, or offer suggestions on the proposed 1972-73 school year budget.

The budget, which this year has grown nearly half a million dollars to \$3,988,074, includes nearly \$2 million in teacher salaries, nearly \$1 million in other salaries, and the remainder for other expenses, including instructional supplies, health services, food services, and employee benefits.

Also included in the budget are bond interest and redemption funds, building funds, and cafeteria transactions.

The district this year will receive funds from Federal, State and County sources, as well as the local and area-wide tax rolls. Nearly half of the budget will be funded from local taxes, while another large portion of the budget will be financed through state monies.

The 1972-73 budget, including undistributed reserves of \$266,924, will reflect a tax rate increase of about ten cents, according to figures compiled by assistant superintendent for business services R. Paul Reynolds.

Two Escape After Photo Booth Robbery

The Dean's Photo drive-up booth at Jamacha and Elkelton in Spring Valley was the victim of an armed robbery last week in which two white male adults escaped with about \$73 in cash.

According to reports from the Sheriff's Department, a suspect approached the photo booth at about 6:10 p.m. Thursday, and asked about the price of film for an "Instamatic 104".

When the clerk asked whether the suspect wanted 12 or 20 exposure rolls, the suspect displayed a large straight-bladed knife and demanded all the money in the cash register.

After having the clerk place the money in a paper bag, the suspect left on foot with the bag and was joined by a second suspect, fleeing south toward the rear of a nearby supermarket.

The first suspect was described as a white male, about 27 years old, weighing about 180 pounds, with brown hair and possible blue eyes, wearing a blue knit cap, blue Levis, a blue short-sleeved shirt, a pale face, and afro-style hair. The second suspect was described as a white male with brown hair, slightly shorter than the first suspect, said.

Tempers Hot at LGPA Meeting

County Criticized Over Goals, Eligibility Matters

Tempers were nearly as hot as the weather at last week's meeting of the Lemon Grove Community Planning Association executive committee. And the temperature was 99 degrees.

Included in the meeting were name calling, accusations, and walk-outs by members and non-members over several controversial matters.

The first order of business which caused tempers to flare was when the association's community goals, which have been approved by the editing committee, were presented to the executive committee for further review.

The executive committee indicated that, since the goals have been reviewed several times already, no review was necessary. One member accused the county of nit-picking. Authorization was made by the committee for the county to distribute copies of the goals to various service districts, with changes to be presented at the next meeting, for consideration.

Tempers flared again on the question of membership eligibility.

It was reported by county associate planner Lynn Skinner, who acts as the liaison between the county and the association, that an earlier request for clarification from county counsel on the question had not been forwarded to county counsel.

Skinner reported that the reason for the question not being forwarded was that the LGPA could not "go running to county counsel to rule on every little matter".

That brought forth the response that the request to county counsel was the first made by the local association.

During a discussion on eligibility, accusations flew, as some members were accused of trying to exclude persons on a racial basis from joining the association.

In other action at the meeting, a request from Supervisor Henry Boney, supervisory assistant Bob Devine, and

the regular monthly meeting of the Lemon Grove Chamber of Commerce was held Thursday noon at Pal's Cafe and it was announced that no August meeting would be held, due to a vacation of the president, Mike Carlen.

The financial statement of the chamber was presented to directors present for the month of June 19-21. Money received for the month amounted to \$863.63, and expenditures amounted to \$342.18, including the secretary's salary, rent, office supplies and routine bills, leaving the total amount of chamber money on hand at \$1,715.87.

It was announced at the meeting that Helen Myers, chamber secretary, would be serving jury duty for three months, starting July 18, and that the chamber office would be open on an irregular basis during that time.

Mrs. Myers indicated that she would probably serve less than 20 days during the three-month period, and that she would be notified early in the day whether or not she would be required to serve on a particular day so that she would be able to keep the CoC office open as much as possible.

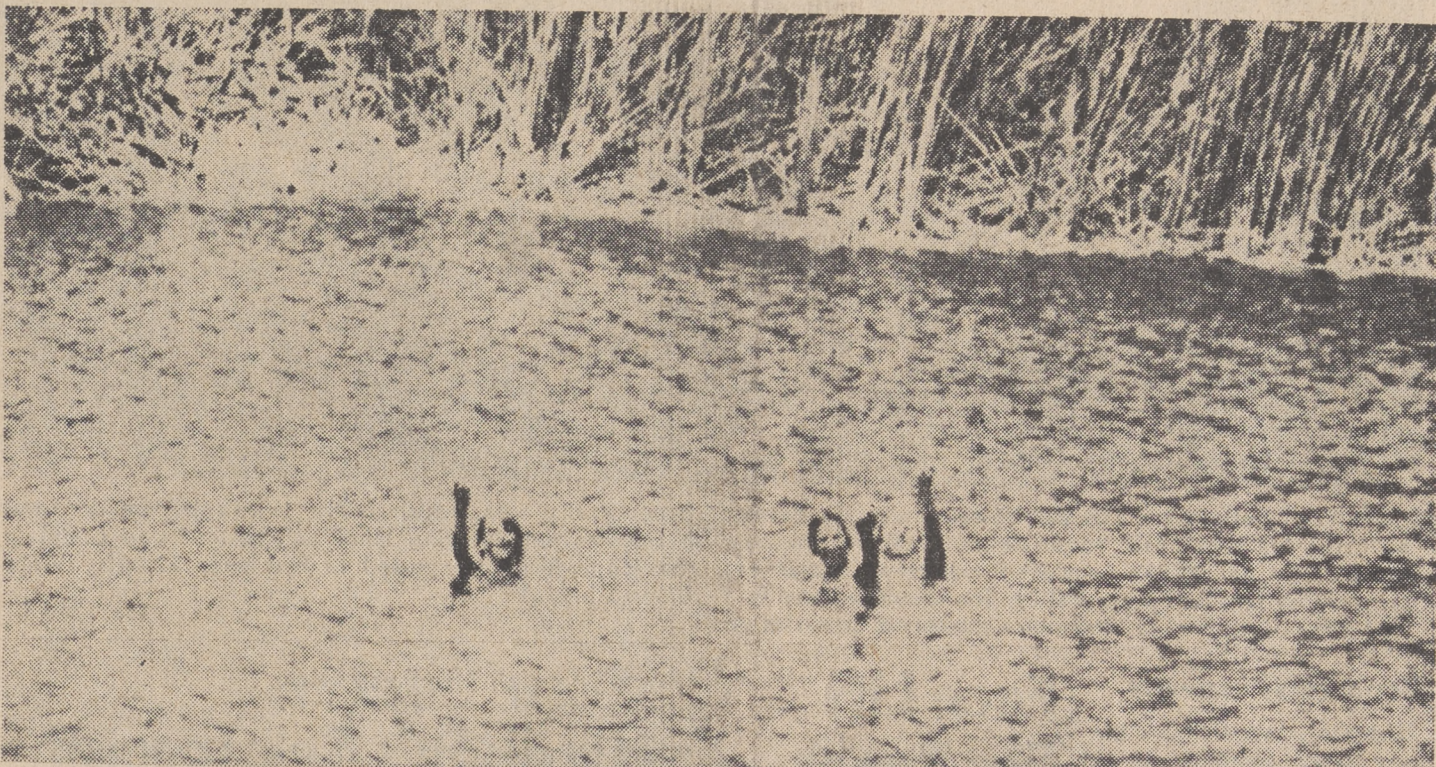

However, something new has been added. That is a service charge which applies to all water meters in the District. The charge ranges from \$5.30 every two months for the smallest sized meter (5/8th inches) up to \$60 for 6 inch meters and larger.

Householders have the smaller sizes, usually the 5/8th, 3/4th, and inch sizes. The 3/4th inch meter is \$62.00 bi-monthly and the inch, \$82.00.

According to the plan adopted several years ago by the district, the 1972-73 year will be the last of the tax rate, except for the El Cajon Annex area, which will continue to be taxed to meet the cost of servicing bonds voted by the area prior to annexation to the district.

The El Cajon area will also get a tax rate decrease this year. Last year's rate was 54.9 cents for the annex, plus the 17.8-cent area-wide accessment, for a total of 72.7 cents. This year's area tax will be 47.4 cents, plus the \$7-cent area-wide tax, for a total of 54.4 cents.

The first place photo shows a young girl pushing a reluctant steer towards a water bath while another youth tugs on a halter.

DANGER AREA — One of the county's most dangerous swimming areas is in Spring Valley, where these three youngsters enjoy a dip during the heat of the day. Photo was taken one week after an eight-year-old youngster drowned at nearly the same spot in "Hansen's Pond" near the corner of Sweetwater Spring blvd. and Jamacha blvd. Although the area is posted as a no trespassing area, sometimes, signs rarely last more than a week during the summer, when youngsters and sometimes adults tear them down. Drownings at the unfenced pond are not uncommon, as no supervision for young swimmers is offered. According to Herb Ketell, park chairman for the Spring Valley Recreation Department, if the area were developed as a park, adequate supervision would cut down the danger and offer a good recreation area for local residents.

District Governor To Visit Local Rotary Club

Dr. Russell A. Beam, of Pacific Beach, District Governor of Rotary International, will make an official visit to the Lemon Grove Rotary Club Monday.

The club, presided over by Dr. Jim Kenaga, meets each Monday at noon at the Bowlero.

DR. R. A. BEAM

Prior to the scheduled meeting, Beam is meeting with Kenaga, Secretary Dan Thren and other club officers and members to discuss club and district projects.

The Rotary Club of Lemon Grove is one of 38 Beam leads as governor of Rotary District 534. A retired university educator, Beam is one of 334 district governors in the world serving Rotary, an international men's service organization with 723,000 members and 15,400 clubs in 149 countries and geographical regions.

In addressing the club, Beam will urge Lemon Grove Rotarians to bring more eligible, qualified business and professional men of the community into Rotary membership.

Planners Seek Support

James V. Dorman, chairman of the Lemon Grove Planning Association, announced Wednesday morning that citizen support is needed in approving goals for the community and preparation of a plan map.

The association, Dorman said, has reached a plateau, as subcommittees have prepared goals and they will soon be ready for approval by the general membership. The goal process "especially needs the support of the original members of the association," he said.

Plea Made On Use Of Goodwill Bags

Those who stash their trash are causing a "pain in the pocketbook" to the county's handicapped people.

A. J. Sutherland, president of S.D. County's Goodwill Industries said the practice has become so prevalent that the hurt is backing up to the people the bags are designed to help — the handicapped.

While Goodwill bags are supplied free to the public, they are not free at all. The cost comes from funds created through the sale of donated materials — Goodwill's wages to the handicapped comes from the same source.

"In a sense, Sutherland said, "the bags are loaned" as a convenience to the public for temporary storage of donated clothing and shoes until the bag is ready to be picked up by a Goodwill truck or put in a donation box."

Thus his plea: "Help the handicapped; don't hurt them. Use the Goodwill bag only for donations."

Burglary Call Results In 'Pot' Arrests

Three San Diego sailors were arrested in Spring Valley last week and charged with possession of marijuana after Sheriff's Deputies responded to a radio call regarding a burglary in progress, with three men seen in a junkyard.

According to reports from the Sheriff's Department, deputies answered the burglary call at about 2 a.m. Wednesday, but upon arrival at the South Spring Valley junkyard, where the crime allegedly was committed, learned that the suspects had left the scene.

It was then noticed three suspicious looking men were parked at a gasoline station nearby, although they were getting no gas. As deputies contacted the suspects, one was seen to slump down in the rear seat of the suspect vehicle, as if attempting to hide.

Upon arrival of the deputies, a strong odor of burned marijuana was noticed reports indicated, and all three were placed under arrest.

A subsequent search of the vehicle turned up approximately one ounce of what appeared to be marijuana under the right rear seat.

4-Way Stops Denied VLM School Route

SAN DIEGO (CNA) — County supervisors rejected a request of the L.G. school district for four-way stop signs at Violet and Pearson streets in Vista La Mesa.

The traffic advisory committee reported no demonstrated problem to justify such controls.

The committee said that recent changing of "safest route to school" to the north side of Pearson and relocating the crosswalk to the north leg of Violet has substantially increased pedestrian visibility.

Requests for the change came from Mrs. W. L. Corson, secretary of Vista La Mesa PTA, and from the L.G. School Board. The Board noted that attempts to eliminate lack of visibility hazards by changing pedestrian patterns have created new hazards. The Board was unanimous in its request.

'Biggest' Exhibit For Dahlia Show

San Diego's annual dahlia show will be staged for the first time in the new Garden Center, Room 101, Casa Del Prado, in Balboa Park, this year. It will be the largest flower exhibit thus far in the new building, according to John C. Wright, dahlia society president.

The show will be Saturday 2-8 p.m. and Sunday 10 a.m. - 6 p.m.

About 50 exhibitors from San Diego County and Southern California are expected to participate. Almost all of them are amateur back yard gardeners, growing from two or three plants to hundreds each. Their flowers are entered in separate classes, according to their exhibiting experience. Gardeners who never have entered a flower show are especially invited to bring in their dahlias, Wright said. Show officials will help the novice exhibitors.

One of the special features of the dahlia show is the seedling section where new varieties will be evaluated. Many of the world's top-winning dahlias have passed their first test at San Diego shows, giving this area the reputation of being one of the dahlia-growing centers of the world. Each dahlia seed produces a new variety, with only a few hundred plants producing dahlias of market value.

The estimated cost for the local work is \$19,000.

Review Marks 24th Birthday

This week's issue of the Lemon Grove Review marks the beginning of its 25th year of service to the community, its readers, and advertisers.

The award winning newspaper, published each Thursday, has been honored many times in its first 23 years by such organizations as Sigma Delta Chi, the national professional journalistic society, the U. S. Department of Health, Education, and Welfare, and many local clubs and organizations.

Marijuana Paraphernalia Suspect Jailed

A San Diego man was arrested in Lemon Grove last week on charges of possession of marijuana paraphernalia after the suspect was seen apparently asleep on the steps of a church near the intersection of Massachusetts and Boulevard.

According to reports from the Sheriff's Department, deputies contacted Robert E. Bryson, 23, while he appeared to be asleep at 5:45 a.m. Thursday. Bryson denied being asleep, but could offer no reasons why he was at the church.

A routine pat search indicated a hard object in the suspect's rear pants pocket, later identified as a "hash pipe". The pipe smelled of burned marijuana and also contained debris appearing to be marijuana, reports indicated.

The suspect was booked at County Jail.

Two County Highway Projects Authorized

Two highway improvement projects were authorized last week by the California Highway Commission at a business meeting in San Jose.

One of the projects will involve construction work in Spring Valley, while the other project will involve re-surfacing portions of Route 76.

The Spring Valley project calls for the construction of a westbound off-ramp to complete a diamond interchange on the newly-constructed Route 94 free-way at Avocado blvd. The estimated cost for the local work is \$19,000.

No August Meeting For LG Chamber

The regular monthly meeting of the Lemon Grove Chamber of Commerce was held Thursday noon at Pal's Cafe and it was announced that no August meeting would be held, due to a vacation of the president, Mike Carlen.

Knowing Your

Assemblyman Helps

Assemblyman Wadie P. Deddeh announced that the Division of Highways has agreed to re-open the northbound Sycamore st. Highway 5 exit.

The closure of the off-ramp had caused severe loss of business in the San Ysidro business district and the unemployment of 44 people in the last week according to sources in San Ysidro.

Deddeh said the ramp, which was originally scheduled to close for six months, will re-open in two weeks.

SV Lutheran Church Plans Vacation School

The Vacation Bible School of Atonement Lutheran Church, 3345 Sweetwater Springs Blvd., Spring Valley, will be held August 7-18.

Classes will be held from 9 to 11 a.m. Monday through Friday, for two weeks. There will be classes for all pupils from 3 to 14 years of age.

The theme of this year's curriculum is "My God, My Faith, My Life." Special colored filmstrips correlated with Biblical studies will be shown each day. There will also be singing, art projects and refreshments.

Area children are invited and there is no enrollment fee. Free will offerings will be received in the opening worship service each day from the children.

Pre-registration may be made by calling superintendent Mrs. Jan Bakken at 479-8897 or Miss Ann Nelson at 463-2132. Registration may also be made the first day of school beginning at 8:30 a.m.

Jones-Caldwell Wedding Held

Mr. and Mrs. Earl Dwight Jones, of 3975 El Canto dr., Spring Valley, have announced the wedding of their daughter, Barbara Ann, to David William Caldwell II, in a July 10 ceremony at the home of the bride's parents.

Rev. Richard Adams, pastor at Trinity Presbyterian Church in Spring Valley, performed the ceremony, which was followed by a buffet dinner in garden area of the home.

Both the bride and groom are graduates of Monte Vista High School and attended Grossmont College and San Diego State. The new Mrs. Caldwell was employed as a stewardess with United Airline prior to the wedding.

Caldwell is employed with Sony Electronics in Hawaii, where the couple will reside.

Jr. Women Set Annual Summer Fashion Show

The La Mesa Junior Woman's Club has selected the site of San Diego County Estates, four miles east of Ramona, as the setting for a summer fashion show to be held August 6 at 2 p.m.

Spectator fashions from international collections, featured by Saks Fifth Avenue of La Jolla, will be shown with Lilo Miller serving as commentator.

The public is invited to attend the resort open house from 12 to 5 p.m. with Ernie Myers of KOGO Radio acting as Master of Ceremonies. The Juniors will serve as hostesses and models for the pre-opening of the multi-million dollar development.

North Kenya is now a favorite hunting area for sportsmen.

beautify the area, which is the town's trademark. Local businesses are donating labor and materials to complete the job, which is expected to cost over \$2,000. (Vince Broesch photo)

Bond Sales Increase

Sales of United States Savings Bonds continued to set new peaks as June totals for California reached \$31,314,390, up more than a million dollars from 1971's \$30,132,253.

June was the 21st consecutive month in which sales exceeded redemptions nationally with \$5.9 million in sales and \$4.3 million in redemptions at cost price, according to figures released by Philip L. Gildred, San Diego County Savings Bonds Chairman.

In San Diego County, June sales for 1972 came to \$2,902,856 as compared to a total of \$1,868,270 in June of 1971, according to the County Chairman.

Imperial Earnings Up

Imperial Corp. of America this week reported consolidated net earnings for the first six months of 1972 of \$10 million, the highest of any first half year in the company's history and 42 percent above the \$7 million earned in the same period of last year.

Per-share earnings were 73 cents and 52 cents based on 13,581,464 and 13,577,264 common shares outstanding in the respective periods.

Gross revenues for 1972's first half were \$81 million. For the same period of 1971 they were \$68 million.

Maine passed a prohibition law in 1851.

Face Lift For Ranch House Area

The Spring Valley Chamber of Commerce kicked off a beautification program at the Bancroft Ranch House on Memory lane Monday, according to Chamber president Herb Ketell.

The Ranch House, which is the only national monument in the area, will get somewhat of a face-lift, according to Ketell, who said that new paving will be the first order of business under the CoC-sponsored program.

Along with paving and striping for parking, new flowers will be planted, as will trees, and weeds will be removed. Local residents and businessmen will provide labor.

Trees have been donated for the project by Hunter's Nursery, fertilizer and mulch will be provided by Builder's Emporium, and Dean Miller Paving Company will contribute paving.

Additionally, Ketell said, a full time superintendent for the project will be provided by Goodbody Mortuary, Art's Lumber is donating concrete and grout, Hester Granite will supply decomposed granite, and R.C.P. Company has donated stone for new entrance pillars.

Learn Spanish The Easy Way

Hardison's Telespanish

By JAMES HARDISON

Some times one of our most difficult tasks may occur when we wish to convert an English word into a Spanish word. Let us consider the various ways that we might translate the English word "get" into Spanish.

"Get" may be expressed as "recibir." This is demonstrated in the phrases "No voy a recibir nada." (I am not going to get anything.) or "Me gusta recibir cartas." (I like to get letters.) Each of these phrases, however, could have "recibir" translated into "to receive" to express the same general meaning.

"Get" may also be expressed with the verb "conseguir." For example, we might say "Tengo que conseguir otro lapiz." (I have to get another pencil.) and "Es imposible conseguir todo." (It is impossible to get everything.) Another meaning for "conseguir" is "to obtain" and could be used in place of "to get" in the above translation.

"Get" will occasionally be translated to "llegar." This is seen in the expressions "No voy a llegar alli tarde." (I am not going to get there late.) and "Me gustaria llegar alla para comer." (I would like to get over there in order to eat.)

"Get" has also been translated to "localizar." This suggests a meaning of "to get" in the sense of "to locate." Expressions which demonstrate this are "No puedo localizar su numero." (I can not get his number.) and "Deseo localizar a el por telefono." (I want to get him by telephone.)

Six practice phrases below are listed for your continued learning pleasure. Each phrase reflects a relative example of how "get" may be translated into Spanish. A recorded telephone message will guide you in the pronunciation of the phrases when you dial 276-2762.

IMPORTANT PHRASES:
Say "Que va a recibir usted?" (keh vah a reh-see-usted?)

BEER oo-STEHD) for "What are you going to get?"
Say "Voy a recibir una carta." (VOH-ee ah reh-see-BEER OON-nah KAHR-tah) for "I am going to get a letter."

Say "Va a llegar alla tarde?" (vah ah yeh-GAHR ah-YAH TAHR-deh) for "Are you going to get there late?"

Say "Voy a llegar temprano." (VOH-ee ah yeh-GAHR teh-n-PRAH-noh) for "I am going to get there early."

Say "Es imposible conseguir todo." (ehs emm-poh-SEEB-leh kolin-seh-GHEEHR TOH-toh) for "It is impossible to get everything."

Say "Puede usted localizar el numero?" (poo-EH-theh oo-STEHD loh-kahl-lee-SAHR ehl NOO-meh-roh) for "Can you get the number?"

SD Council Executive Honored For His Fifty Years With Scouting

Hundreds of volunteer Scouters and dignitaries throughout Southern California gathered at the Town and Country Convention Center last week to honor John W. Ackermann, Scout Executive of San Diego County Council, Boy Scouts of America in recognition of his 50 years of Scouting service.

President Nixon, Governor Reagan, Congressmen Bob Wilson and Lionel Van Deerlin, Appolo VIII Astronaut William A. Anders, Commandant of the Marine Corps General R. E. Cushman, Jr. and Chief Scout Executive Alden G. Barber were among those who joined the salute to Ackermann with letters of congratulations.

President Nixon, in his comments, said, "This is an impressive record of achievement within any organization, but it is especially admirable within one that so immeasurably contributes to the vitality and strength of our society."

Ackermann was presented with several gifts including a silver "gold pan" with nuggets to symbolize his work for the youth of the nation during his long tenure, a set of Norman Rockwell's Spirit of Scouting sterling silver coins, and a montage of Scout symbols highlighting his career.

Rain Greets Kiwanis Confab

"Rain" was the weather report brought back by Craig Howrey, president-elect of the Spring Valley Kiwanis Club in his report to the club after returning from the Kiwanis International Convention in Atlantic City.

On the opening day of the convention, the town's mayor promised better weather the balance of the week but it still precipitated most of the week, Howrey said. He thanked the club for sending him and said he hoped the ideas and inspiration he received would benefit the club in his year as president, which begins October 1.

There were 3,171 Kiwanis Clubs represented with 5007 delegates and over 16,000 members in attendance.

Beside speeches, seminars and committee meetings there was excellent entertainment, including "Re Generation," a local gospel group.

He reported that a record number of new key clubs in high schools had been formed this past year and that Key club is now the top high school service club in the nation.

Largest Group Attend Camp

A total of 18 Lemon Grove and Spring Valley Camp Fire Girls have joined the summer's largest contingent of campers at Camp Wolahi this week as part of the San Diego County Council of Camp Fire Girls summer camp program.

Local girls at the resident camp in the Cuyamacas include Marie Diaz, Carla Mueller, Diane Mueller, Deborah Thompson, and Dorothy Thompson, all of Lemon Grove, who are among 170 isolated for the session.

Robynn Awalt, Catherine Burdick, Tami Eaton, Nancy Evans, Jill Field, Alisa Garrison, Pamela Logan, Deanne McKenzie, Debbie Mallory, Debra Perry, Lori Slusher, Trudy Spaeth, and Kimberly Watson, all of Spring Valley, will join the Lemon Grove campers.

Vacancies are still open for the 11-day extended session which starts August 9.

Adult Workshop Facilities Construction Planned By Home of Guiding Hands

The Lutheran Association for Retarded Children, owner-operator of the Home of Guiding Hands, has accepted a bid from Ries Construction Company, San Diego, for completion of adult workshop facilities at the Home.

General Manager Donald E. Chamberliss last week signed the contract authorizing the \$19,885 project. It is the first major expansion in the Home's five-year history.

Guiding Hands, the Lakeside residence and school for two hundred retarded children and adults, now has an adult work activities center serving thirty residents. The planned expansion will provide two additional rooms, and will complete a third room, to enable another seventy residents to participate in the program. Bathroom, heating, and air conditioning fixtures will also be installed.

The work activities center provides meaningful employment for those retarded who are above school age and for those who, unable to qualify

for public schooling, attend development classes at the Home and can spend part of the day employed at the workshop.

"The goal of the Work Activities Center is to develop self-initiative and self-confidence in all aspects of the residents' development," instructor Richard Morse said. "They need to be exposed to a challenging work situation involving basic motor development skills."

Long-range goals are to bring increasing numbers of the less-capable retarded into a work environment; and to place some residents in jobs in the community, he said.

The workers now produce ceramic vases, buttons, and beads; macrame wall hangings and lamp shades; and block-printed greeting cards. Their articles are sold through gift shops in the area. They are also raising a Christmas tree nursery of six hundred seedling Monterey pines.

A recent certification by the U. S. Department of Labor stated that the center meets government standards for wages, overtime, and competition. This accreditation enables the workshop to bid on contract jobs, particularly for the government. A typical contract might be for mechanical assembly of parts, or for component refurbishing.

Construction of the additional facilities will make possible the acceptance of those jobs, and also the training of residents to operate printing machines, and to sort, address, and bundle mail that is sent from the home.

Thermometer Hits 99° Three Times

It really wasn't as hot as it seemed — but it was constant. Official temperatures for the Lemon Grove Spring Valley areas showed 99 degrees as high for the current spell — but it hit 99 three times.

Funeral Services Held For Plane Crash Victims

Simultaneous services were held Wednesday morning at Greenwood Mortuary for David H. Reichert, 20, and Richard M. Reichert, 23, of 3863 Massachusetts ave., Lemon Grove, who died in a plane crash Saturday.

The brothers were in a light plane over the Soledad Mountain area in La Jolla while making a trip to scatter the ashes of their grandfather, who died last week, when the plane collided with another craft and plunged to the earth, destroying a house in the crash.

Also killed in the crash was the pilot of the plane, Roy Gudith, of San Diego. Three occupants of the other plane were uninjured after making an emergency landing at a nearby airfield.

Both victims were natives of Ohio. David came to this area two years ago with his parents and attended San Diego State College. A graduate of Kenston High School in Ohio, he was president of his class for three years and was active in sports and the Junior Achievement program. He attended Kent State University before moving to Lemon Grove.

Richard, who was also president of his class at Kenston High for three years, came to this area about four months ago. He graduated from Case Western Reserve University of Ohio and worked with a CPA firm in Cleveland and was active in the Cleveland Junior Chamber of Commerce before coming to Lemon Grove. He was employed as a trainee with a local stock brokerage firm.

Survivors include their parents, Mr. and Mrs. Henry Reichert, of Lemon Grove; a sister, Robyn Reichert, of the home address; their maternal grandparents, Mr. and Mrs. Jim Ferko, of Ohio; and their paternal grandmother, Mrs. Elizabeth Lill, of La Mesa.

Interment was in Greenwood Memorial Park.

V. M. Danielson

Private services were held this week for Vern Maxine Danielson, 58, of 7652 Church st., Lemon Grove, who died July 29 at her residence.

Services were followed by cremation and inurnment at Cypress View Mausoleum, under the direction of Conrad Lemon Grove Mortuary.

Mrs. Danielson, a native of Kansas, lived in this area for 30 years and was employed for five years as a nursing aide at California Convalescent Hospital.

She is survived by her husband Herbert; two sons, Davy Lee Danielson, of La Mesa, and Billy Danielson, of Lemon Grove; a brother, Ray Bacon, of La Mesa; her mother, Margaret Hunter, of Lemon Grove, seven grandchildren, and three great-grandchildren.

E. E. Dutton

Funeral services were held Monday morning at Greenwood Mortuary for Mrs. Ella Erickson Dutton, 88, of 10331 Don Pico ct., Spring Valley, who died July 27 at Spring Valley Sanitarium.

Mrs. Dutton, a native of Kansas, lived here for 25

years and was a member of the Spring Valley Woman's Club. She attended the Spring Valley Friends Church and was active in many church groups.

Survivors include a son, Arthur, of Spring Valley; two daughters, Caroline Fisher, of La Mesa, and Helen Hurdle, of Spring Valley; a brother, Arthur Erickson, of Kansas; a sister, Laura Aveshell, of San Diego; 12 grandchildren and 17 great-grandchildren.

Interment was in Greenwood Memorial Park.

H. M. Crenshaw

Services were held July 25 at Greenwood Mortuary for Helen Marie Crenshaw, 53, of P.O. Box 94, Rio Madre rd., Jamul, who died July 22 at Mercy Hospital.

Mrs. Crenshaw, a native of Pennsylvania, lived here for 20 years. Services were followed by cremation and burial in Greenwood Memorial Park.

Survivors are her husband, Bobby Crenshaw; two sons, Harold B. Crenshaw, of Tucson, Arizona, and William G. Crenshaw, of Jamul; and three grandchildren.

HOT AIR BALLOONS — La Presa Junior High's year-round school Group I seventh and eighth-graders flew hot air balloons this week as a science class activity. In the course of the day, four balloons flew far enough to be lost in the countryside east of the school. Flights ranged from 7 seconds to 11 minutes, depending on design, weight, and wind conditions. Teachers Mrs. Dorothy Stone, Tom Prantil,

Reilly, Michele Get Raves in 'Music Man'

Television's Charles Nelson Reilly continues to charm, amuse and excite audiences with his own style as the lovable con-man, Professor Harold Hill, in Starlight Summer Musical's production of "The Music Man," which runs through Aug. 12, in the Open Air Theatre at San Diego State, evenings at 8:30 p.m. There will be no performances on Thursdays and Fridays, Aug. 3, 4, 10 and 11.

Reilly and his leading lady, Linda Michele, as Marian the Librarian, have garnered rave reviews of their production, as well as receiving ovations nightly from record-number audiences.

Ramona Handicap Saturday To Draw Brilliant Lineup

DEL MAR, Calif. — Finest field of fillies and mares in the history of the event is expected to go postward Saturday at Del Mar in the 15th running of the \$25,000 added Ramona Handicap.

Heading the list are West-erly Stud's Typecast and El Peco Ranch's Hill Circus — considered to be two of the most talented distance running mares in the world today.

The Ramona, at a mile and one eighth, will be decided on the infield turf course and will settle the distaff championship of the seaside summer season.

Rehearsal For Matador Band Starts Monday

All prospective new students, staff members and section leaders will begin daily post session rehearsals for the 1972-73 Mt. Miguel High School band Monday.

The Matador musicians are to commence work toward a rigorous schedule that includes a chance at performing in the Pasadena Tournament of Roses Parade for the sixth time, more than any other San Diego area band.

Returning band students will be required to attend their sectional rehearsals and two full band rehearsals during the post session period of Aug. 7-18, according to Director Dean Immel.

All groups in the band are expected to be larger than last year with total enrollment expected to reach approximately 140, including the ten-girl Banderette team which fronts the band.

Students interested in auditioning for the Matador Pep Band must attend practices Aug. 9 and 15 from 6:30-8:30 p.m.

A tentative slate of appearances for band members lists ten football games, nine parades, five concerts and other special events.

After 11 Years Off

Toreros Open Grid Drills

An eleven-day training camp at the San Diego Naval Training Center will open fall football drills for the University of San Diego.

The Toreros, back in college division football after an 11-year layoff, begin workouts at NTC Aug. 24 and continue through Sept. 3. Team members will live on the premises during the camp.

Following the 11-day initial workouts, USD will move to its own campus stadium for evening sessions prior to its first game at UC Riverside, Sept. 16.

Fifty-two players have now been registered for the fall semester with approximately 20 more pending, according to Head Coach Andy Vinci.

The "U Club" booster organization, spearheading a drive to raise \$50,000 to cover operational expenses for the football program, will conduct a Century Club membership drive blitz Aug. 14-18.

Other promotions already established are a luau at the San Diego Rowing Club, Aug. 12, and a ticket sale for San Diego Padres National League baseball games. Reserved seat tickets to most remaining Padres home games may be obtained by contacting the Torero football office, 279-3083 or 279-4866.

Local Racers Vie For Lead At SBay Track

George Behlman of Lemon Grove and Lee Robison of Lakeside will be seeking their third feature wins of the year Friday and Saturday nights in the SDRA Super-Sprint Car and ECSCRA Super-Stock Car main events at the South Bay Speedway in Chula Vista.

Robison notched his second super-sprint car main event win of the year last Friday evening on the 1/2 mile clay oval, edging out Les Crawford of Lakeside and Jim Castle of La Mesa.

Pre-race favorite Dick Fries was knocked out of action during time trials, when his car broke a driveshaft. Fries will be back this Friday, going for his ninth super-sprint car main event win of the year.

On Saturday night the Super-Stock Car racers will share the spotlight with the second Destruction Derby of the year. Some 12 to 20 old cars will be demolished in the no-holds barred event that follows the nights eight event racing program. Racing starts at 8:15 p.m.

Behlman came from behind to win last week's 30 lap feature in his Oldsmobile. He sped to victory over Wes Osborn of Chula Vista and Pat McIntyre of Spring Valley, while Ed Hale of Lemon Grove took fourth, despite the fact that his car's tail section was afire at the checkered flag. Other drivers helped Hale get his car stopped and he escaped injury. Other top entries are Jim Hitt of Lemon Grove; John Borneman and Tom Zelesky of El Cajon; Richard White of Escondido; Tex Kimbrell of Imperial Beach; Mark Stahl of Chula Vista; and Reggie Zamora of San Diego.

Sunday evening J. C. Agarian will present an 18-event AMA Motorcycle T. T. race on the tracks 5/8th mile steeple-chase course.

Gates open at 6 p.m. each night, when 4,500 general admission seats go on sale.

Kempton Street School Lists Pet Show Winners

Winners in Kempton Street School's summer pet show were announced last week, with students taking home ribbons in eleven categories for their entries.

Dina Eaton won the "biggest" ribbon for her entry in the dog category, "Jethro", while Daphne Mosley's "Fluffy" took home the "littlest" prize, and Paula Agnew's "Peanuts" was declared "prettiest".

In the cat competition, "T.L.", owned by Barbara Martin and Bonnie Helm, earned "biggest", "Andy", entered by Kathy McIntosh, was "littlest", and "John Tom", Cliff St. Peter's entry, was "prettiest".

Cynthia Pacheco claimed "biggest" honors in the horse division with her "Jo Jo", while "littlest" was "Pit" owned by Lisa Poeschel, and prettiest was Cindy Landram's "Lady".

Fish winners were Liz Vital, biggest, for "Jack Dempsey", Susan Harris, littlest, for "Fish", and Bonnie Helm, prettiest for "Goldy".

"Mrs. Peck Pidgeon" was the biggest of the birds, owned by Liz Vital, while Alan Huston's "Barney" was littlest, Prettiest was "Spinner", brought by Melinda Vuerchoz.

Danny Almond's entry "Big Snake" was the biggest reptile, while Doug Willard ran off with both the littlest and prettiest prizes for his horned toad, "Captain Hook".

For rat owners, Liz Vital swept all honors with her "Fat Albert", who was the biggest, smallest, prettiest and only entry.

Bonnie Helm grabbed the biggest ribbon in the rabbit competition, with her entry, "Snowball", "Daize May" was littlest, entered by Robert Leon, while Phillip Jackson's "Charley" was prettiest.

Hamster winners were Franky Lane's "Bill", biggest, and Dawn Vanderford's "Sunshine" and "Mike", littlest and prettiest.

Rounding out awards at the show was Sheri Steward, who won all three ribbons in the turtle competition with her entry "Red Ears".

O'Halloran Promises KO in 7 Over Champ

Following his usual pattern of being "modest and unassuming," heavyweight Jack O'Halloran has vowed he will knock out Henry Clark "inside of seven rounds" and become the new California champion when the two meet Wednesday at the San Diego Coliseum in a 12-round, title fight.

O'Halloran hasn't changed his style of living but he was a more aggressive boxer when he knocked out Victor Scott in three rounds two weeks ago, throwing more right hand punches in that fight than he did in four previous bouts locally.

"It's the only way I'm going to beat Clark... knock him out," Giant Jack declared. "They robbed me the last time when we fought here and I decided then and there that to win in this town I'm going to have to knock out or beat my opponents badly!"

In a telephonic communication to the regular Monday gathering of Sportscasters and Sportswriters Assn. Monday, Clark denied that O'Halloran was "robbed" when the two fought in San Diego.

"You tell me," he replied to a question about the robbery, "how a black man with a white referee, fighting a white Irishman in his own town can possibly get a break on a decision!"

Clark, who has held the state heavyweight title since 1967 in California, defeated O'Halloran here June 16 of this year in what most "experts" felt was a decisive manner. A cagey boxer-puncher with a lunging style, Clark is 27 years old and has a very respectable 31-62 pro record.

A resident of San Francisco, Clark holds wins over Leotis Martin, Manuel Ramos, Eddie Machen and went seven rounds with Sonny Liston before the fight was stopped with Clark still on his feet but badly beaten. Henry has fought three times this year, decisioning James J. Woody and Fred "Preacher" Lewis in addition to O'Halloran.

Zoo Trip On Tap

Over 100 students from the Lemon Grove School District will board buses August 9 for a trip to the San Diego Zoo, courtesy of Atlantic Richfield Corporation and the Lemon Grove Junior Woman's Club.

Buses and free lunches for the trip will be provided by ARCO, while members of the Junior's will supervise the trip, according to Mrs. Cheryl Perry, chairman of the project. Additionally, ARCO will present each participating student with an "ARCO Ark".

All local youngsters between six and 12 years old who are currently enrolled in the free or reduced price lunch programs of the district are eligible to join the safari. Call 460-4516 for details.

Karate Demonstration Planned For August 8

The Copley YMCA is offering to the public a karate demonstration August 8 at 7:30 p.m. at the YMCA.

According to Bill Helm, karate instructor, a film and demonstration of the Shorin Ryu style of Karate will be presented free of charge to the public.

The demonstration will be held in the YMCA auditorium.

The U. S. Postal Service has 30,000 postmasters to supervise mail distribution.

SDG&E Earnings Drop

San Diego Gas & Electric Company last week reported second quarter earnings of 41 cents per share of common stock, a decline of 3 cents from the comparable 1971 period.

It was the third successive quarter during which earnings lagged behind the year-earlier quarter. For the year ended June 30, 1972, earnings per share were \$1.69, compared with \$1.95 for the 12 months ended June 30, 1971.

SDG&E, hard-hit by rising fuel costs, filed application for general rate relief nearly a year ago on August 10, 1971. A decision in the case is expected soon from the California Public Utilities Commission.

Lemon Grove 'Sox Stars In National Tournament

NATIONAL TOURNAMENT — The Lemon Grove Bobby Sox League all-star team last week earned the coveted trip to Buena Park to take part in the national tournament, representing San Diego county. The local stars won the area tournament at Lemon Grove Junior High School then traveled to Santee to top Vista, 10-0, to claim the district title. The team includes Randy Beyer, top row

left, coach, Gwen Bierly, manager, Debra McQuillen, Teri Collinge, Terry Nichols, Susie Erault, Yvonne Ford, chaperone, and Charlie Infanger, coach. Middle row left, Dede Jackson, Vanessa Cuadras, Teri Deane, Cassie Beyer, Barbara Holder, and Joanna Patterson. Bottom row left, Susan Bierly, Kathy O'Brien, Pam Barnett, Yvonne Cuadras, and Susie Stinchcomb.

Local Girls Set For Trip To Buena Park

The Lemon Grove Bobby Sox Minor League all-star team last week earned the honor of representing this area in the national Bobby Sox Tournament to be held August 9-12 in Buena Park, California.

The Lemon Grove stars, beaten only once in post-season play, will take on the top teams from all over the country in the national tourney.

The local team opened post-season play by thumping Jamacha Hills, 13-1, then came back to knock off Spring Valley, 17-5. After a 14-5 victory over South Bay, the locals squared off against Chula Vista in the finals.

Chula Vista won the first game in the finals, 17-8, after scoring 12 runs in the fifth inning, but Lemon Grove came back with a roar, winning the area title with a 15-5 decision.

With the area title out of the way, Lemon Grove was top seeded in the district tournament, against Vista and Navajo, winners of the Santee and Peninsula area tournaments.

Vista and Navajo squared off in the first game of the tournament, with Vista claiming a 6-2 victory and the right to face Lemon Grove for the district title.

Lemon Grove sent Teri Collinge to the mound for the contest, and she came up with a masterpiece, twirling a three-hit shutout while walking just one batter and striking out six. Lemon Grove exploded for four runs in the third inning and three more in the fourth frame to break the game open.

The Lemon Grove league is just four years old, and the accomplishment in getting to the national tournament is the "impossible dream."

The national tournament will be held at George Bellis Park, Eighth ave. and Knott ave. in Buena Park, according to Lemon Grove Bobby Sox League president Dick Waller, who indicated that the league will charter buses to make the trip.

Anyone interested in joining the team on the buses should call 463-0061, Waller said, or sign up at the bobby sox field at Lemon Grove Junior High School.

AREA TOURNAMENT — The Lemon Grove Bobby Sox League Major All-Stars had a tough time against Jamacha Hills in Saturday's area tournament at Lemon Grove Junior High. Jamacha Hills scored three times in the sixth inning

of the contest to take a 9-6 lead which the Grovers were unable to overcome. In photo, Jamacha Hills runner makes it to second base with a standup double in an early inning.

John Wayne Is Rose Parade Grand Marshal

John Wayne, distinguished film actor, will be the Grand Marshal of the 84th Annual Tournament of Roses to be held in Pasadena, Calif. on January 1, 1973. The theme of the floral festivities on that day will be "Movie Memories."

Otis Blasingham, Tournament president, said in making the announcement, "The Tournament of Roses is honored to have John Wayne lead the Rose Parade next New Year's Day."

In response, the veteran movie star stated, "The honor is all mine. I am looking forward to taking part in the events in Pasadena next January 1."

Following the parade, Wayne and his wife will occupy the place of honor at the Rose Bowl Game after their grand entry; just before the kickoff, in a rose-adorned auto.

Lemon Grove, Spring Valley Lose Games

The Lemon Grove Major League Bobby Sox All-Stars collapsed in the late innings Saturday to fall into the loser's bracket in the area major league all-star tournament at Lemon Grove Junior High.

Lemon Grove took the field in the third game of the tourney against Jamacha Hills, with the Hillers racing away to a 3-0 lead. Lemon Grove battled back to tie things after two innings, then Jamacha Hills took the lead again. After four innings, the score was again tied.

The dam broke in the sixth inning, however, as Jamacha Hills scored three runs to take the lead, 9-6. Lemon Grove's offense fizzled at that point, giving the decision to the Hillers, one of three local leagues in the tournament.

In other action Saturday, Spring Valley knocked off Otay Mesa, 7-3, and Valley

Mesa blasted Chula Vista, 10-4, while South Bay byed into the second round.

On Sunday, Spring Valley, the third local league, met its match in Valley Mesa, who won a 14-8 decision. Jamacha Hills made it to the semi-finals.

South Bay, while Chula Vista thumped Otay Mesa, 20-1.

The weekend action left Valley Mesa in the best position, needing only a victory over Jamacha Hills to bye into the finals via a 16-2 decision over South Bay, while Chula Vista

New Chargers To Give Clue Against Falcons Saturday

Harland Sware, Deacon Jones and the new defense-minded San Diego Chargers make their 1972 pre-season debut Saturday.

With a new coaching staff headed by Sware and a new defensive line captained by Jones, the Chargers tackle the Atlanta Falcons at San Diego Stadium. Kickoff is 8 p.m.

A crowd of more than 40,000 is expected for the first of four summer home night games for the Chargers. Reserved seat and general admission tickets are on sale at Stadium Gate E daily from 9 to 5.

The game will be broadcast by Stu Nahan and Ralph Lawler on KDEO and the

Charger network. It will be televised by KCST-39 for tape replay Sunday night at 8 with Jerry Gross and Al Wester the announcers.

San Diego and Atlanta met for the first time last summer with the Chargers winning, 21-14. San Diego ended 1971 with a record of 6-8 for third place in the AFC West. Atlanta had its best mark of 7-6 for third place in the NFC West. Both teams have visions of moving upward in 1972.

Leader in the NFL trading mart, San Diego made 10 off-season deals. Main thrust was at defense and added to the roster were linemen Jones and Greg Wojcik from the Rams, Lionel Aldridge from the

Packers, George Wright from the Colts, John Richardson from the Dolphins and Cal Snowden from the Bills; and linebacker Ed Philpott from the Patriots. Joining the offense were fullback Cid Edwards and receiver Dave Williams from the Cardinals and Charger "original" tackle "Ernie" Wright from the Bengals.

Sware is confident the trades have upgraded his team. "How much," he wondered, "We will begin finding out against Atlanta."

San Diego's starting lineup Saturday night will be John Hadl at quarterback, Mike Garrett and Edwards at running backs, Jerry LeVias and Williams at wide receivers, Pettis Norman at tight end, Russ Washington and Terry Owens at tackles, Walt Sweeney and Doug Wilkerson at guards and Carl Mauck at center.

Jones, Wojcik, Wright and Aldridge are an all-new defensive line; Bob Babich will be flanked by player-coach Rick Redman and Philpott at linebackers, Bob Howard and Joe Beauchamp are the cornerbacks and Bryant Salter and Chris Fletcher the safeties.

Wearing a Charger lightning bolt for the first time Saturday night will be rookie draft choices, defensive tackle Pete Lazetich from Stanford, long-distance placekicker Bill McClard from Arkansas and running back Oscar Dragon from Arizona State.

Martinizing Tops Moose; Berg Beats Luigi's For S.V. Little League Title

Berg Electric won the Spring Valley Little League pennant last week in a delayed series of make-up games that included two rain-outs and a continued game.

Jackson Supply and S&H Martinizing squared off for the continuation game, which took up in the seventh inning where it had been called because of darkness earlier in the year.

Martinizing went to bat first, but couldn't score. Jackson took over the bottom of the seventh and scored the winning run to ruin Martinizing's chances for the pennant.

The next game was a make-up of a rainout between Luigi's Restaurant and Berg Electric, the two teams that had tied with Moose Lodge for the title after the regular season's play.

Berg jumped away to a 2-1 lead in the second inning, but Bobby Conroy rode one of Tim Newman's pitches out of the park to tie the score at 2-2. Luigi's grabbed the lead in the fifth inning when Brad Villanueva knocked in the lead run with a triple, making the score 3-2.

Berg came back in the last inning to regain the lead when Robert Madrid tripled with a

man on and Bobby Conroy ripped a double. Newman then held Luigi's scoreless in the bottom of the inning to preserve the victory.

The final game of the series was between Moose Lodge and Martinizing. Had Moose Lodge won the game, a play-off with Berg Electric would have been necessary to determine the pennant winner.

Martinizing, however, had little to lose, as the team was already eliminated for the title pictures, and played loose ball.

Martinizing jumped away to a 4-2 lead after three innings, and added a pair of runs in the fourth inning to take a 6-2 lead.

Vernon Cramer, who handled the pitching chores for Martinizing, helped his own cause in the top of the sixth inning with a solo homer.

In the bottom of the final frame, Cramer weakened, as Moose cracked out enough hits to bring in three runs. The final out was made when the tying run was at the plate.

The victory for Martinizing ended the need for the play-off game, giving Berg the pennant. Moose Lodge, Luigi's and Martinizing tied for second place.

The surprising Maverick.

It's a comfortable, 6-cylinder American compact that's actually priced *below* the Volkswagen 113.

If you can afford a Volkswagen 113 — or almost any little import — you can afford a Maverick. Look:

FORD MAVERICK	2-door	6-cylinder	\$2,140.*
VW 113 (Super Beetle)	2-door	4-cylinder	\$2,159.*
TOYOTA COROLLA 1600	2-door	4-cylinder	\$2,109.*
DATSUN PL 510	2-door	4-cylinder	\$2,306.*

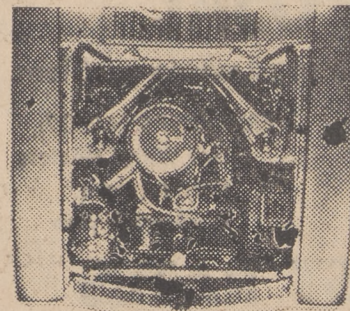

*Manufacturer's suggested retail price for 2-door models. Excludes dealer preparation charges, if any, destination charges (\$160.00 for Maverick), California emission system (\$13.87 for Maverick), title and taxes.

NOTE: People ask us how we can afford to offer a roomy, 6-cylinder compact at about the same price as the little imports.

First, we've been making small cars since 1908. Experience helps.

Second, we haven't changed Maverick — except for mechanical improvements — since we first introduced it. That kind of continuity helps to control costs.

Third, recent currency revaluations and devaluations have helped restore the competitive stance of American manufacturers.

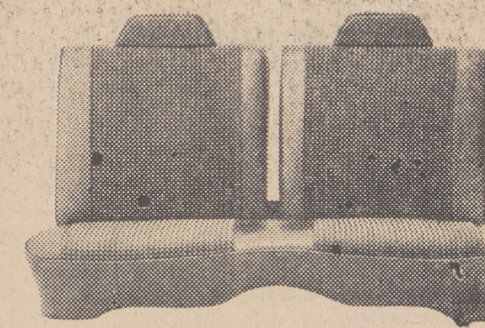

Most little imports give you 4-cylinder engines. Maverick gives you a 6-cylinder engine.

It's smooth. It's reliable. It lets you accelerate into turnpike traffic with confidence and hold your own on steep hills. And it delivers surprisingly good gas mileage.

A good car for long trips.

Maverick's rear track is 2.9" wider than Volkswagen's. Its wheelbase is 7.7" longer. There's a bit more weight, too. By themselves, these differences aren't very big — but they can add up to a big difference in the way Maverick drives and handles the open road.

Better idea for safety... buckle up!

Ample room inside.

Maverick's front seat, for example: over 8" more shoulder room than Volkswagen 113.

There's no wasted space inside Maverick. At the same time, none of that small-car crowded feeling.

Maintenance: Even simpler, more convenient than the little imports.

VW, for example, recommends normal service every 3000 miles or three months, whichever comes first. On Maverick, it's 6000 miles or six months. So Maverick's recommended service interval is twice as long as Volkswagen's.

We also designed Maverick to be a simple machine to care for. In fact, we've even prepared a manual which tells you how to do many maintenance jobs yourself.

One more convenience: there are over 5,600 Ford dealers in the country. VW has about 1,100.

HILLCREST YOUNGSTERS — Hillcrest Receiving Home, a facility of the San Diego County Probation Department, provides a temporary place of refuge for non-delinquent children in need of care. In case of family

calamity, uncared-for youngsters are fed, clothed, housed, and schooled until other arrangement can be made. Donations of clothing, toys, and gifts are accepted at any hour of the day or night.

Refuge For Non-Delinquents

Youngsters In Need Of Care Find It At Hillcrest Receiving

Hillcrest, known well by law enforcement officers, social workers, and judges, is a place of refuge. Non-delinquent children from one-week to eighteen-years old, who are in need of care, food, shelter, or protection find it at Hillcrest Receiving Home.

Located at the extreme north end of Third ave., San Diego, it is a unit of the Probation Department of the Human Resources Agency of San Diego County. It is the central receiving home for the entire County, housing an average of about 80 children, usually placed by social workers, policemen, or probation officers.

Most frequently, the parents are in jail, hospitalized, have maltreated the children, or are otherwise unable to care for them. Most children stay an average of only about 14 days before they return home or are placed elsewhere.

On arrival, youngsters are greeted by the ladies of the intake section, logged in, bathed, and given a brief physical exam by one of the staff nurses. Minor complaints are handled by a doctor who holds daily sick call. Many of the children arrive in desperate need of clean, well-fitting clothes, which are given from stocks donated by citizens.

Next, it's off to the dining room for a meal or snack. Chef Bob Love manages to concoct economical menus full of "kid food".

"Annie fixes grilled beef liver in her own special way so that the kids look forward to it and many think they are eating steak," said Superintendent Robert Skidmore. Cooks like Annie Pilkinton, Mac McAtee, and Matt Lorentzen "lovingly prepare it so that even the most stubborn child is tempted to eat willingly," he said.

"Some of our children pose problems for us. They like Hillcrest so much that they have trouble getting them to stay in a foster home," reported Probation Officer Judy Hacker.

A recreation wing houses ping pong tables, billiard tables, a color TV, a library, and a juke box — all donated. The outside playground includes sidewalks for wheeled toys, a sand box, and a softball diamond.

Rooms are small and plain, each containing two beds. Yet they are not spartan. Each is decorated with models, pictures, and other memorabilia reflecting the occupant's own personality.

Older children can help out with chores, such as setting the tables, to earn points. These points may be used to purchase games, toys, and other goods at the "store", bringing the children to grips with the purchasing power of their own labor.

A small school, teaching kindergarten through high school, rounds out the facility. Three teachers must constantly adjust to a rotating school population, according to Skidmore.

"Things are far different here from a custodial institution. The kids are taken to the zoo frequently — theaters host weekly trips to the movies — and a local dairy has provided free ice cream treats for the last two years," he said.

"Any San Diego County child could conceivably be brought here someday while awaiting a relative to arrive to take care of him. And, the people of this County can be just as proud of Hillcrest as staff members are," Skidmore said.

Wearing of sunglasses may be considered very "in" today, but according to the San Diego County Optometric Society, the Chinese wore tinted lenses 14 centuries ago to protect their eyes from the bright sun. Today, optometrists recommend either neutral gray or green tints for sunglasses.

Fernandez Joins Finance Group

The National Hispanic Finance Committee for the Re-election of the President has announced that its chairman, Benjamin Fernandez, of California, has been appointed co-chairman of the Republican National Finance Committee by Maurice Stans, national finance chairman.

Fernandez thus becomes the highest ranking Spanish speaking official in the party.

The National Hispanic Finance Committee, under the leadership of Fernandez, is actively engaged in organizing the Spanish speaking from coast to coast into a viable political force within the Republican Party.

Fernandez, founder of the already successful National Economic Development Association, said that the committee's objective is to raise a minimum of one million dollars toward the re-election of President Richard M. Nixon.

Ad Hoc Committee Meeting Set Aug. 9

The recently appointed Ad Hoc Land Use/Development Committee will hold its first meeting August 9 at 7:30 p.m. in Room 335A of the County Administration Center.

The committee resulted from Supervisor Harry Scheidle's recommendation, unanimously adopted by the Board of Supervisors, that ways be found to obtain industry and community input prior to adoption of county land-use policies.

"It has become increasingly apparent that many of the policies and regulatory ordinances which relate to construction and development have been prepared without coordination with the affected industry," Scheidle said.

Topics for discussion include the tasks, responsibilities, and purposes of the committee as well as determining the approaches, policies, procedures and priorities of the group.

Interested citizens are invited to attend.

ENGAGED — Mr. and Mrs. Lester M. Nelson, of 6165 Blain pl., La Mesa, announce the engagement of their daughter, Zelda Rae, to Kenneth C. Gale, son of Mr. and Mrs. Edward L. Gale, of 8870 Country Club lane, Spring Valley. Miss Nelson, a graduate of Grossmont High School, is currently attending Kelsey-Jenney College. Gale graduated from Mt. Miguel High School and is currently serving with the United States Army, stationed in West Germany. No wedding date has been set.

NEW BUILDING — Takahashi Farms, a family operation in Spring Valley, will open a new building for fruit and vegetable sales next week. The firm has been operating for the

past several years from a small wooden structure at the corner of Sweetwater Springs and Jamacha blvds. The newer, more modern facility is also located there.

Area Trio Assaults World Swinging Record

Three local youngsters made an assault on a world's record here Tuesday — but the effort lost steam and halted after two hours of a projected two-weeks record for playground swinging.

The youngsters, Scott Dorsey, 9, of 9.56 St. George st., Spring Valley, and Duane and Brian Buckman, brothers, of 2536 Hardy dr., Lemon Grove, were the contestants. Duane is 9; Brian is 12.

Even though the attempt to stay with the swings for two weeks was thwarted by intense heat, tiredness, and soreness, their effort may be recorded since there is no listing for playground swinging — or swinging of any kind — in Guinness Book of Records, the standard for record-keeping of all sorts. It may be that the two-hour attempt will be

recorded but it is a safe bet that it won't stand long. There are other record-seeking youngsters in addition to the three youngsters who started the swinging competition.

Scott's mother said that the trio plan to take another "swing" at the record as soon as they are rested and the sitting soreness leaves. They also hope for cooler weather. The temperature was recorded officially as 96 on the day of the swing.

Mrs. Dorsey said the family's life-style had undergone no change since a family member had become a "celebrity."

A nature item says the skunk is probably the best known member of the weasel family. Could be because he advertises.

Pads Back Next Week; Special Events Listed

An attractive August schedule spiced with several special events await Padre fans when the team returns to the Stadium Aug. 11 against the Dodgers.

The Cards, Pirates and Cubs follow the Dodgers into the Stadium, a dandy 12-game home stand that features a doubleheader with Pittsburgh on Sunday, Aug. 20.

The special events include the Old Timers Game Friday night Aug. 18, Sears Diamond Night on Tuesday Aug. 15 and Fotomat Camera Day on Sunday Aug. 13.

More than 30 Pacific Coast League and National League baseball greats have been invited to the Old Timers Game, which will precede the regularly scheduled Padres vs. Pirates contest.

Those who have accepted include Casey Stengel, Luke

Easter, Carl Hubbell, Earl Averill, Lefty Gomez, Stan Hack, Lloyd Waner, Don Larsen and Larry French, who is chairman of the game.

Camera fans will have their "day" on Sunday, Aug. 13, when they will be invited on the field from 12:15-12:45 to take photographs of their favorite players.

And the first 1,000 fans attending that game between the Padres and Dodgers will receive a roll of film compliments of Fotomat, which also will give to lucky fans an Argus camera kit at the end of each inning.

More than \$3500 in diamonds will be distributed on Sears Diamond Night prior to the Padres vs. Cards on Aug. 15. The first 5,000 women entering the Stadium that evening will be given an envelope from Sears containing either a rhinestone or an actual diamond.

Included in the envelopes will be 15 diamonds, twelve of one-third carat and three of one-half carat.

Excellent seats are available for the Old Timers Game, Camera Day and Diamond Night — as well as for all games during the August home stand.

Tickets may be purchased at the Padres Stadium ticket windows open daily at 10 a.m. and at Ticketron outlets located throughout San Diego County.

High School Stars Play for Charity

Two all-star football teams of graduated high school seniors will compete in the San Diego Senior Bowl tomorrow night at San Diego Stadium. Game time is 8 p.m.

Opposing players will be those from San Diego City high schools vs. high schools from the rest of the county.

City squad coach is Birt Slater of Kearney High. Pat Roberts of Grossmont will coach county stars.

The game is sponsored by S.D. Jaycees and has been sanctioned by NCAA.

Proceeds will go to Los Ninos Remedial Center for autistic children.

Tickets are available locally at Berry's L.G. Sporting Goods on Broadway.

Final Reading Program Event is Magic Show

For the last event of the summer reading program, the Lemon Grove Library will present a magic show by Mark Neynaber August 16 at 10:30 a.m. Reading certificates will be awarded after the show.

Mark is a junior at San Diego State University, majoring in telecommunication and film. He has been interested in magic since he was five and is a sponsor of the San Diego Junior Magicians Club.

The Lemon Grove Library is located at 7735 Pacific ave., phone 463-5982.

Short skirts are said to keep women weight conscious — and men eye-sight conscious.

Assn. Names Manager

The San Diego Symphony Orchestra Association this week named Charles H. Chapell, former manager of the Utica Symphony Orchestra, to the newly created post of Concert/Marketing Manager.

The appointment was announced by L. Thomas Halverstadt, Association president, who said that the Association's rapid expansion required the addition of another trained professional in the orchestral administrative field.

Facial Burns Suffered In Local Fire

A Spring Valley man received facial burns and 23 chinchillas were killed as the result of a fire which broke out at 8953 Frederick st., Spring Valley, last Wednesday evening.

According to reports from the Spring Valley Fire Department, Dave Deore, of the Frederick st. address, was awakened from sleep at about 7:30 p.m. by the blaze, which broke out in another part of the house.

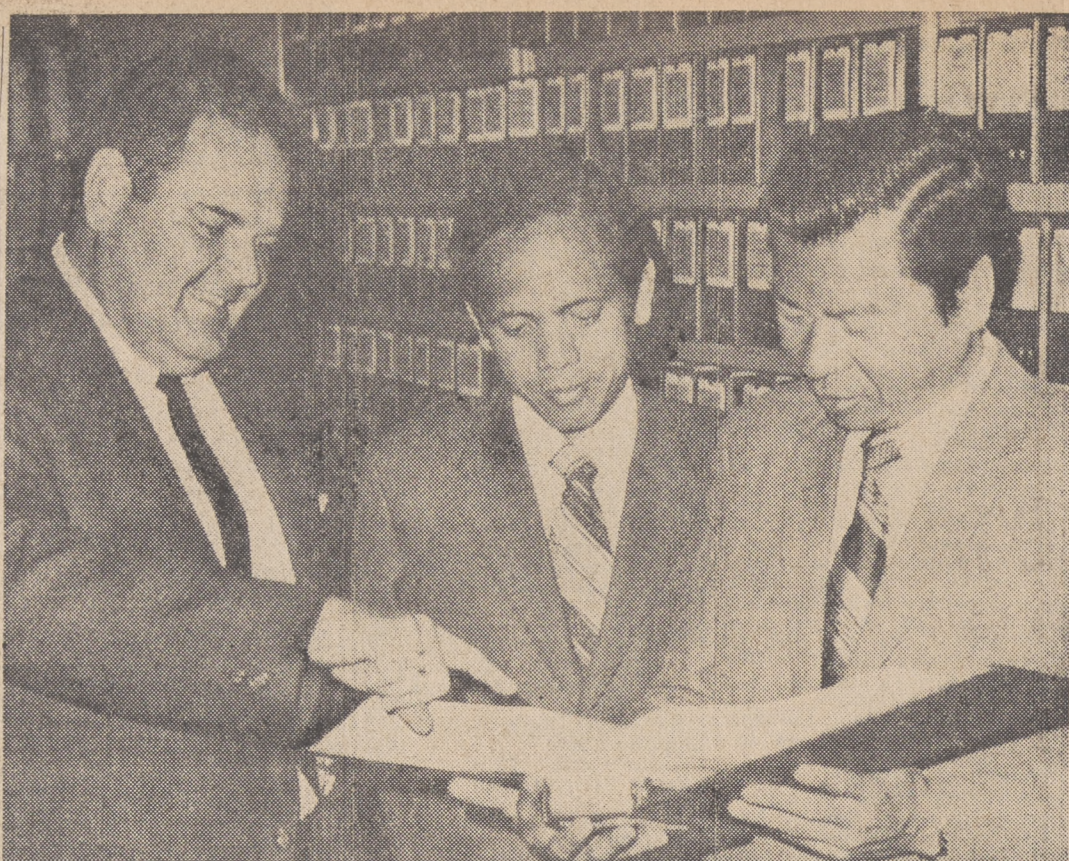

After escaping the flames, Deore attempted to re-enter the blazing structure, fearing that his wife was trapped inside, resulting in facial burns. His wife was away from the residence shopping at the time.

Damage to the house was estimated at \$20,000 and \$7,200 to its contents, which included 23 chinchillas who died in the fire.

Deore was administered first aid and taken to a hospital.

In the only other news of note from the fire department last week, a National City youngster was hospitalized after accidentally shooting himself in the leg while operating a pistol in Spring Valley.

Alberta's first oil well was drilled in 1902.

VIETNAMESE VISIT — Chief Deputy Tax Collector Carl L. Baier, left, shows Vietnamese land officials part of the San Diego County tax roll procedure. Phi Ngoc Huyen, right, Chief Inspector for his nation's Bureau of Land Affairs, and Nguyen Huu Nghi, Chief of Training for the bureau, have completed a week of study here in Tax Collector James

E. Jones' office. Huyen and Nghi are on a four-month training tour to learn techniques of land identification, ownership investigation and landlord compensation as part of the land reform of their country. The program will turn over some 1.2 million hectares of rice land to about 600,000 tenant farmers.

Fund-Raising Party To Benefit Local Charities

Three East County charity groups will host a fund-raising preview party in conjunction with the opening of the new May Company El Cajon store in the Parkway Plaza Shopping Center.

The charities are the Angels Unaware Day Center for the Retarded, The Boys' and Girls' Aid Society of San Diego, Ltd., and the Las Amigas and Las Hermanas Auxil-

aries of the Children's Home Society of California.

All contributions for the event, which will be held August 30 at 7 p.m. at the May Company Parkway Plaza store in El Cajon, will go to the designated charities.

Area 'Hams' Save Navy Man's Sight

Thanks to the alertness of local amateur radio operators, a local Navy man received help which may have prevented his blindness, according to reports from the Lemon Grove Fire Department.

James A. Johnson, 25, the victim, was visiting friends at 2410 Massachusetts ave., Lemon Grove, when his friends left the residence while Johnson was working with some chemicals.

A few minutes later, acid was splashed in the sailor's eyes. Not knowing where a telephone was in the strange residence, Johnson, although unable to see, made his way to his automobile outside, which contained a "ham" radio.

His calls for help were picked up by several area "hams" and relayed to the San Diego Fire Department, which relayed the call to the Lemon Grove Fire Department.

The victim was given first aid at the scene and rushed to U. S. Naval Hospital, where his condition was listed as satisfactory. The report on Johnson's condition reflected optimism that his sight would not be lost.

In other fire department news last week, a burning cigarette was blamed for starting a blaze which caused \$2,300 damage to a house at 1840 La Corta; a defective fuel system caused a vehicle fire that caused \$3,000 damage to a sports car at 3808 Riviera; and children playing with matches started a fire in a vacant shed at Church and Olive.

TREE REMOVAL — Avocado orchards in this area may be coming down due to increasing water rates, and Harold Ball, a Lemon Grove school principal who owns an orchard, has already removed several of his trees. While the water rates for resi-

dents of the Helix Irrigation District who use average amounts of water will climb only a few dollars per billing period, increases of up to 90 per cent face large users

Increasing Water Charges May Reduce Local Avocado Orchards

The high cost of water may decimate family avocado orchards in the Lemon Grove-Spring Valley and La Mesa areas.

Harold Ball, a Lemon Grove school principal, of 4805 Resmar rd., La Mesa, said that his water bills has risen dramatically during the last two years and that the new, higher rates to be invoked in October would make watering his grove prohibitive. As a result he has started a program of avocado tree chopping.

Helix Irrigation District has issued a new rate card showing a meter service charge which will replace the old minimum charge. The service charge is higher than the minimum. It ranges from \$5.30 bi-monthly for a 5/8ths inch meter (the smallest) to \$60 for one 6 inches or larger.

All water, agricultural and domestic alike, will be charged at 26 cents for each 100 cu. feet. A credit of 6 cents will be allowed for each 100 feet of water qualified for agricultural usage.

The impact would be greater on small agricultural-residential combination users, it is believed.

A family with a 3/4th inch meter whose bill is \$55 bi-monthly will pay \$61.58 in October. But a person with a 2 inch meter — and this suggests agricultural use, whose present bill is \$199.95 presently, will pay \$323.42 in October.

Ball says that his neighbors are disturbed by the implied record rates. He has already started chopping trees from his orchard because of the watering costs.

He cites an example of an agricultural grower with 2.4 acres using 87,000 cubic feet of water every two months who paid \$94 early in 1970. In November, 1970 he paid \$129.25. After October 1972 he will have to pay \$177.60 plus meter service charge. He says that a water bill approaching \$1,000 a year will result in a

hillside barren of trees. "None of us are raving environmentalists or committed ecologists, but we do love the soft green trees and beauty of this area," Ball said.

He declared that citrus and other orchards would be destined to death as the water bill becomes more onerous.

Carter Returns For Southland Music Series

Southland Music Center, 3459 Imperial ave., Lemon Grove, will present Gaylord Carter in a program of theatre organ music, an old fashioned sing-along and selected cuts from Charlie Chaplin silents, plus some other short subjects. The program will be presented August 12 at 8 p.m.

Jim Hansen, co-owner of Southland Music, noted that 1972 is the 50th anniversary of Carter's entrance into show business, and specifically playing organ professionally.

"We have had more requests for the return engagement of Gaylord Carter than any other artist to have appeared here. And there is good reason. His show here in the past was so well received and the audience loved him so much and we received so many favorable comments, we have decided to schedule him twice yearly, with new programs each time," Hansen said.

Carter is no stranger to San Diego audiences, having played a number of engagements at the Fox Theatre downtown, and two for Southland Music. Tommy Stark, co-owner of Southland Music, noted that Carter's concert was the 20th in the firm's series. The concerts are regularly scheduled for the second Saturday of each month beginning at 8 p.m. Other artists to appear on the coming concerts are Tommy Sheen, Bill Thomson, Lloyd Del Castillo, Jim Hansen and Tommy Stark.

Reservations for the show are a must and are available at 463-0308. Tickets are \$2 per person.

A survey of Ball's nearby neighbors indicated that they, too, feared they would have to cut back on water use if the impact was as great as Ball anticipated.

Helix Irrigation District officials insist that there will not be a great change in total cost to the "middle quantity" user. Percentagewise, the minimum user will pay considerably more, and at the top, the heavy user will pay considerably more total money.

"It's the cost of water, plus the power cost for transferring it, and the wages for personnel who are employed along the delivery route, and finally, the people who are employed by HHD who must be paid. All of those costs have risen," he said.

The District also pointed out that the tax rate has been reduced regularly and next year water taxes will be phased out altogether.

Public Administrator To Get New Office

The office of the San Diego County Public Administrator is moving to new quarters at 8775 Balboa ave., according to Public Administrator W. E. Thacker.

The office protects estates of people who die without wills. Thacker said the new space, formerly a part of the Honeywell Enterprise adjacent to Montgomery Field, provides more warehouse space to receive, store, distribute, or auction property involved in the more than 500 cases he handled each year.

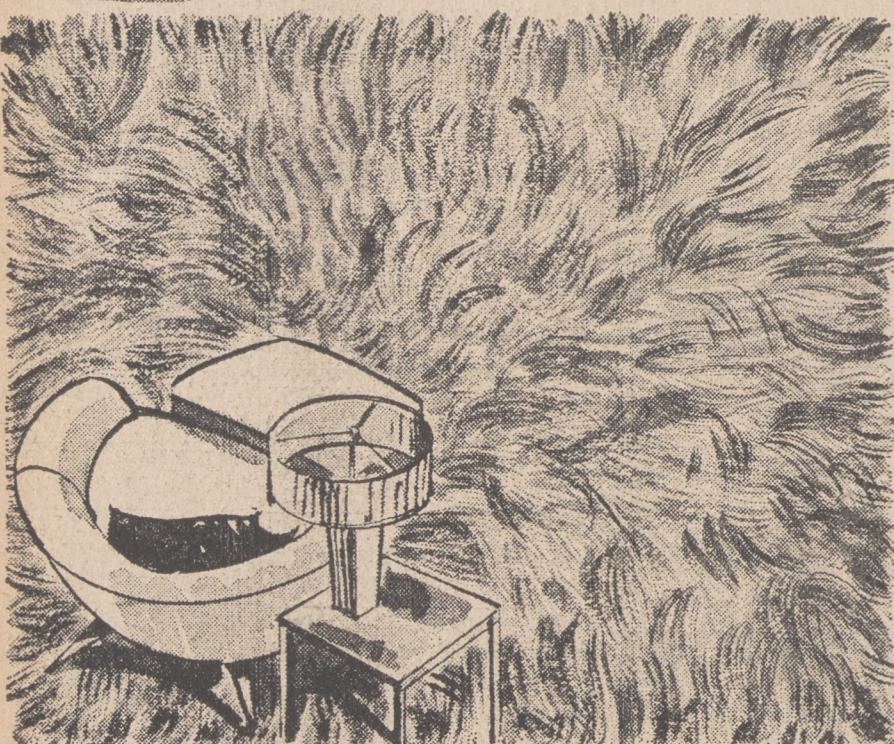

Thacker said the move from the County Operations Center should be completed in time to prepare for the August 16 public auction at the new location.
